

## ASHCHURCH FOR TEWKESBURY RAILWAY STATION

My name is Clive Stevens and I am your  
GWR Ticket Examiner.

I will be here from 06:20 to 09:20,  
Monday to Friday, come rain or shine!

As part of the Revenue Protection team,  
I am here to deliver great Customer  
Service and to facilitate your ticket needs.

I will let you know in advance if I will be away on  
leave or attending a training course.

### I can provide:

- A range of tickets, including returns, singles & Weekly passes to any UK destination;
- Rover, Ranger & Plus Bus tickets;
- Information on your travel, ticket options, train times & connections; and
- Train running & delays.

### Currently I am not able to:

- Print tickets that were booked online;
- Provide London Underground travelcards; or
- Provide Monthly or Annual season tickets.

However, some of the above facilities may become available in the future. I will keep you posted.

### My presence should:

- Enable you to purchase your ticket before boarding;
- Save you buying your tickets online and having to collect them from another railway station;
- Save you having to queue at your destination to purchase your ticket; and
- Make you feel more secure during the early morning hours.

**If you are travelling later in the day, or travelling on a different day, you are always welcome to visit the station between 08:00 & 09:00 to purchase your tickets from me.**
